

FINALE 2011

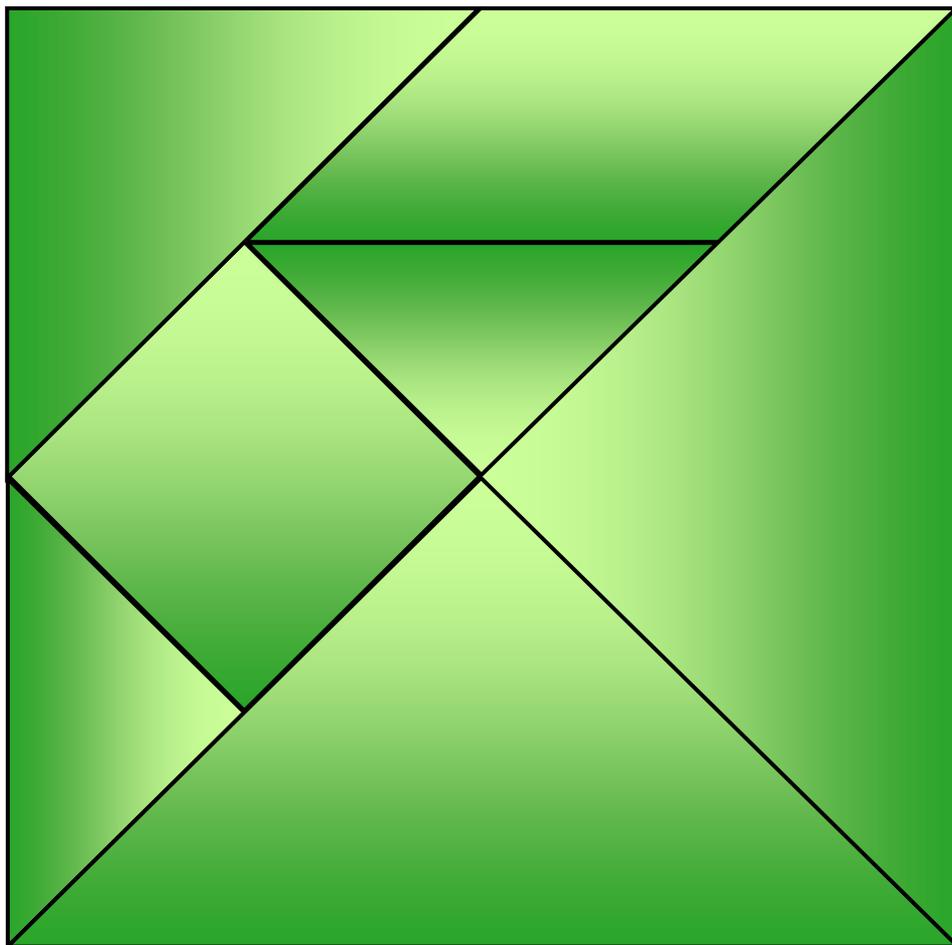

ATELIER N° 6

# TANGRAM

Le **Tangram** est une sorte de puzzle chinois : à l'aide des sept pièces obtenues à partir d'un carré, le but du jeu est de reproduire une forme donnée.

Les règles sont simples : il faut utiliser toujours la totalité des pièces qui doivent être posées à plat et ne pas se superposer. Voici les sept pièces :

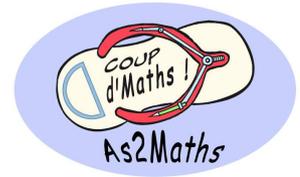

Vous devrez assembler les sept pièces pour reconstruire les 6 figures suivantes...
